Curriculum Vitae

2026-10-19

Student in 2nd Year Master's degree Environment management - Ecotoxicology

Educational background

- **2024-2027** : Master in Ecotoxicology (environmental management) at Lorraine University, Metz
- **2022-2025** : Bachelor Life sciences, itinerary : Biodiversity and environmental biology (BBE) — Ecology at Toulouse university (30th/133) — Options Ecotoxicology (ongoing), Ethnobotanics, (15,25/20), Quantitative Biology (2nd/130)
- **2022-2023** Bachelor 1 Life sciences, itinerary : Environment sciences ; Montpellier Sciences College (87th/440) — Option Integrated biology of marine mammals (18/20)
- **2021-2022** : High School speciality Life & Earth sciences (18/20) & Chemistry & Physics (17/20)

Internships

Curriculum projects

- **2nd semester**: Bibliographical Synthesis about orcas contamination, particularly with PCB.
- **4th semester**: Practical study on micro-forests efficiency (*Miyawaki*) on restoring biodiversity. Sampling (*pitfall traps*) and statistical analysis.
- **5th semester**:
  - Bibliography on PFOA and *DuPont de Nemours*© scandal about Teflon in West Virginia (USA).
  - Epistemologic research about cellular senescence in evolutionary biology
- **6th semester**: Risk assessment on glyphosate and AMPA, their toxicity and their environmental fate.
- **7th semester**: In class study project on effects of two stress factors, temperature increase and nitrate contamination on *Myriophyllym spicatum*.
- **8th semester**: In class study project on PVC rainwater leaching on *Eisenia fetida*.

General Skills

- English C1 (TOEIC, TOEFL), Spanish B2, Japanese
- Scientific and protocol thoroughness
- Meticulous drafting

- Thoroughness and regularity of work
- Teamwork
- Sharing and disseminating knowledge
- Image-editing softwares (clip-studio paint, Krita, Photoshop)

Data processing

- R language (Rstudio) General mastery
  - Coding
  - ggplot2
  - Sandard statistical tests
  - Modelling with conditional inference forests & concentration-response models
- R Quarto (Markdown, Yaml)
- General mastery of GIS – QGIS & ArcGIS Pro
- Office suite (Microsoft, LibreOffice, OnlyOffice) – Writer and spreadsheets

Experience
